Write a brief description of encountered problem:

May customer po na gustong bumili ng canon printer Pixma G4770, upon demon dito sa store yung unit po natin ang akala namin given lang na matagal yung nasa screen na nakalagay CANON kaso subrang tagal di parin po nawawala kaya pinatay ng staff namin hanggang sa plug tapos power on po ulit ang ginawa yun parin po lumalabas kapag napower on na yung unit po natin hinayaan lang namin muna kaso di siya nawala po, kaya nagdecide si customer na huwag ng kunin yung unit dahil sa nakita niya upon demo dito sa store po.

kaya ito po ay nireport namin sa inyo po para macheck po mismo yung unit po.

Salamat po
